Recycling Cartridges

Many ink cartridges can be used more than once. The Recycling Factory clean and refill used cartridges. Any that are unusable or damaged are broken down for their component parts to be recycled – they are not sent to landfill sites. Unfortunately, due to the technology, the majority of Epson and Canon ink cartridges cannot be recycled.

Cartridges that can be recycled

Manufacturer	Part no.	Description
Canon	BC02	Canon BC02
	BC05	Canon BC05
